H Pride Gone Wild H S

While strolling through the halls at Hopewell High School, one is overcome with the sense of pride. There are different types of school spirit. When students come to school and pay attention in class, it shows that they have pride in learning. When students excel, it shows pride in achievement. Teachers also show pride in their work. Getting up every morning to come and instruct students is a challenge, but it shows they want to help make a difference in young people's lives.

On Fridays that old Blue and Gold Fever is most alive. Teachers wear their gold Faculty T-shirts. The cheerleaders wear their uniforms; and the athletes wear their jerseys on game day. In the halls the cheerleaders (and others) post creative signs encouraging school pride and victory. At games many students attend to support the team, even if the Blue Devils did not always win the week before.

But the spirit of Hopewell High is present every day; not just on days of sports events. There is always a sense of pride lingering in the halls. This is truly an indication that HHS pride has GONE WILD!

STUDENT

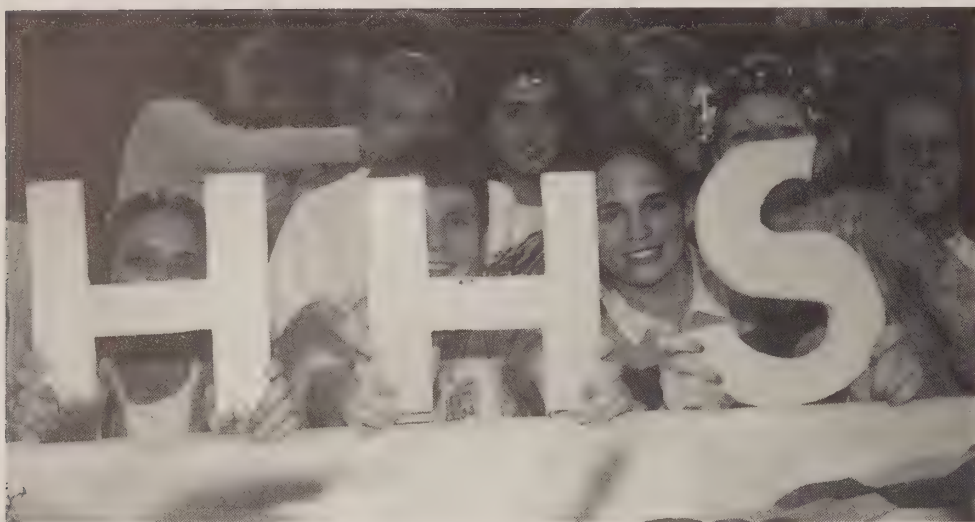

LIFE

*The Class of 1996 arrived on September 8, 1992 as intimidated freshmen, but they have matured into aspiring students who have epitomized the essence of school spirit. During Homecoming 1995, the class (as juniors) accomplished the rare feat of winning the Homecoming Game. During their tenure at Hope-
well High School, the seniors have fully exhibited a true Pride Game Word.*

There's No stopping Not even the pouring rain could stop a Homecoming victory for HHS.

It was the night that all avid Blue Devil fans had long awaited — the sold-out match between Hopewell and Prince George. Hopewell started quickly, with Prince George close behind, and then a second-quarter deluge of rain postponed the outcome until Saturday. The Blue Devils roared back that night after a leisurely afternoon of watching motivational college games. The hyped-up fans brought cowbells, pom-poms, and megaphones to help the cheerleaders encourage the team. Evidently both strategies worked because the Royals were soundly defeated by

a score of 48-7. This was the first time in several years that Hopewell had defeated Prince George — it was an exciting moment for the players, coaches, and fans. During half-time festivities, Sandy Mueller was crowned Homecoming Queen and Vance Johnson, Jr. was announced as Homecoming King after much pomp and circumstance. Congratulations to the Blue Devils of Hopewell in their victory over Prince George.

A Break from the Routine

Fun Day was a beautiful and happy day for students and the staff. There were many activities planned, such as playing volleyball, making huge bubbles, and throwing pies at faculty members. Cold drinks and food were sold in the courtyard. Inside the school there were activities for people who wanted to escape the heat such as card-playing and chess. — Rachel Berger

Good Times, Good Friends,

It was a night that we would not soon forget. All the anticipation and preparation resulted in one spectacular night — Prom Night. The Junior-Senior Prom, hosted by the Class of '96, was a great success. It epitomized the closeness of old friends and the fun we had when we were together, whether at formal or informal gatherings. The prom colors remained the traditional Blue and Gold and the white rose was chosen as the featured flower. Juniors picked the song, "Lean on Me," and Seniors the tune, "The River," as favorites. Both songs when played presented the unity of each class. The night was certainly one of "Good Times, Good Friends," and good memories.

The only thought on the minds of last year's graduates was, "When do we get our diplomas?" On June 16, 1995, the candidates for graduation heard their names called, walked up on stage, and achieved the diploma eagerly anticipated during their entire school career. Valedictorian Mark Blackmon, Salutatorian Carolyn Bowman, and Class President Jill Oliver made their heart-wrenching good lucks and farewells to the '95 graduates. The "fun-loving, happy students," sponsored by Mrs. Karen Rhodes, will always be remembered for breaking the tradition of having a live band at the Prom (they had a DJ instead). The Class of '95 showed its generosity as well; indeed, the Class of '99 will remember the graduates for their final donation.

The time honored cliché of "One For All and All For One," has never been more apparent through the twelve years we have spent together, than it was during the preparation for the 1995 Miss Hopewell High School Pageant. As we walked circles throughout rehearsals, built up egos, critiqued attire, dried tears, and suffered through publicity shots, even we did not realize how much closer we were becoming. From the pizza parlor magic to Jessica Mayton's party magic, we all knew no matter which one of us won the title, we would all share in the joy. With our prettiest gowns, brightest smiles, and twinkling eyes, we paraded across the stage in front of a cheering, sold-out audience. What the audience did not see or hear were all the gestures of friendship and support towards and for one another backstage. After the finalists were crowned, and Alison Getty was presented as the 1995 Miss Hopewell High School, the everlasting friendships formed in the group as a whole truly will be "UNFORGETTABLE."

The Ideal HHS Girl

Four long years we waited and now its finally here . . . we're seniors! Getting to choose a homecoming king and queen . . . having a senior dinner dance . . . going on the class trip . . . and going to the prom are all highlights of any senior year. High expectations were brought by us to school on the first day. Our expectations included being able to leave class three minutes early for lunch and forming a senior circle at the end of pep rallies. These expectations soon turned into reality. Being able to chant "Seniors!" . . . "Seniors" . . . "Seniors!" at the pep rallies — we could not believe this was our final year at HHS. Nothing else had ever been more anticipated. Over the year our excitement grew and so did the camaraderie of our class. We were always ready to laugh and cry together while sharing our memories of the past years. Even though our time at Hopewell High School is over, friendships we've made and the uniqueness of our class spirit will last forever.

Heather Shelton, Amanda Bortner, and Nancy Nichols nervously await their biggest moment yet of the junior year: the beginning of the Class Ring Ceremony.

Upperclassmen at Last!

Being a junior means many new and exciting experiences, such as seeing your class ring for the first time, walking across the stage in the Miss Hopewell High pageant, and dancing at the Junior-Senior prom. These are moments that will live in one's memory forever. Through these encounters the class matures and grows closer together as a family.

In October the junior class received its rings during an after school Class Ring Ceremony. After the Herff Jones rep-

resentative and our principal Mrs. Keith made kind remarks, the attendees walked through a giant inflatable ring and received their own, although smaller, ring from one of the class officers. Some students held a private contest to see who could request 97 people (a tradition) to turn their rings first. Others kept a written record to place in their scrapbooks. The Class Ring Ceremony surely was the beginning of many junior year highlights to come.

'98 Explodes With Pride

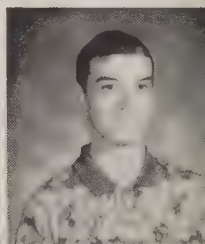

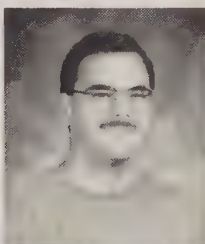

Every sophomore year is filled with excitement over obtaining a driver's license, and members of the class of '98 had a blast earning that privilege. They also delighted in ordering their class rings in early spring. However, the class of '98 will remember one important fact: they came in second in the Spirit Link Contest, an achievement usually reserved for the junior class. Their spirit and competitiveness during

Homecoming Week, especially with their Gilligan's Island theme in the Hall Decorating Contest, had many wondering who was going to win. Although they did not gain first place, their accomplishment was a big step up in pride and effort from the freshman year. As sophomores, the status of being an extremely school-spirited class was achieved.

A New Breed of Freshmen

The freshman year of high school is one that never will be forgotten. It was a time to learn new subjects, make new friends, and be considered semi-adults by teachers. Many freshmen have problems with the transition from middle to high school, but the Class of 1999 was different. It took no time for many members to become part of high school life and to prove that they were indeed a spirited group of people. During Homecoming Week, about forty students decorated the Freshman Hall, many working during a scheduled day off. Then, to everyone's surprise and especially the seniors, the freshman class won the Spirit Stick Contest during the pep rally. This class also contains several athletes and academicians that have already made their mark. The Class of 1999 is certainly a new breed of freshmen.

SPIRIT

Hittin' Them Hard Ensures

1995 was a great year for the Hopewell High School Varsity football team. With an overall record of six wins and four losses, the Blue Devils were ready to give anyone a run for their money. Wins against Petersburg, Dinwiddie, Prince George, and Meadowbrook led the team to a third place finish in the District. The talent of the team allowed the Devils to achieve equally strong running and passing games. This balance led to key drives full of first downs and touchdowns. In a season full of many highlights, one of the most memorable was the Homecoming game, in which HHS was ready to rumble. Once the smoke cleared, Hopewell was able to claim a 42-3 victory. The Royals of Prince George had been annihilated, and the age-old rivalry had been settled for another season. The season ended with a hard-fought loss to Colonial Heights. Best of luck in the '96 season to the Blue Devils.

The Making of Future Sports

I recently heard a description (on a TV show) of football as a game where a group of guys get a ball, run 2 yards, and fall down. I am sure the J.V. Football team would disagree with this statement. The team members on the field work hard for our school. Although the team played against some tough schools, it came away with an impressive 5-5 overall record and undefeated at home. Brian Moody expressed perfectly some feelings on this point: "We're not like Thomas Dale, Petersburg, or L.C. Bird, who have 100 people try out for football, We don't have that luxury, so we have to take what we get. What we do have are kids with a lot of pride. We will go out there and show these top-ranked teams that we may not have the advantages they do, but we will give em a run for their money. Hopewell, you did fight hard this year."

Stroking Our Way to

With an overall record of 9-4-3, the Varsity Field Hockey team finished in second place in the district. To start the season, the Lady Devils finished second in the Newport News Tournament behind Christ Church. Both of the games the Devils won in this tournament were victories by penalty strokes in overtime. The three team captains, Katie Anderson, Alissa Sculthorpe, Donna Baum, along with senior Carrie Cruppenink, brought maturity and experience to the team. Coach Carlson remarked that Donna was "above everybody in keeping everyone focused." Coach Carlson also stated that she was glad to have so much student and parental support for the program, which signals a good future for the sport at HHS.

Winging Our Way Through

The J.V. Field Hockey team worked hard trying to gain respect as a team. The team had many new players, such as Brandy Asbury, Crystine Baynard, Kristin Feldes, Crystal Gelina, Nikki Dibling, Gina Manieri, Beth Martin, Jenny Staley, and Angela Watkins. When Coach Holt was asked about her team, she commented that the team showed a great amount of improvement in the final games of the season and team members should be commended for a season well played.

Cheers Boost School Spirit

This Cheerleading season was a new experience for Hopewell High. Along with the traditional female cheerleaders, two sophomore males, Tony Story and Joe Hopkins, joined the varsity squad. Despite the stereotyping of their peers, the men stayed with the program. They helped the HHS Varsity Cheerleading Squad earn a first place trophy at the Fort Lee Invitational and second place in the Central District Cheering Competition.

To help boost the spirit of team members and the student body, the varsity and junior varsity cheerleaders decorated the team members' lockers with streamers, balloons, and "Good Luck" signs. They also sold spirit ribbons, boosters and seat cushions at the games. Football and basketball games would not be the same without our HHS cheerleaders.

Tennis Begins With Love of the Game

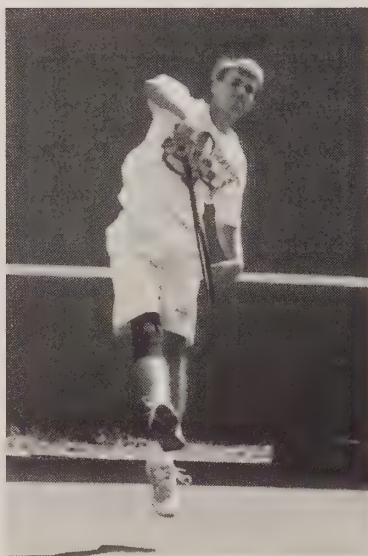

Coach Frank Whipp felt that the team ended the season much improved. He stated that "the team had come a long way," both in spirit and skill level. The team will have to regroup next year, though, as key seniors graduated. However, students who learn how to play tennis possess a possibility of lifelong enjoyment. So, next March when you see the tennis courts alive with activity, you will know it is the boys' tennis team trying hard once again. After all, tennis begins with the love of the game.

HHS Golf -

The 1995 Golf season was an average season for the Blue Devils. Winning five matches and losing six, the golf team had a hard-fought season. "I think we had a pretty good season considering all the new players that played this year," remarked Lee Mahaney. Last year the team lost four seniors and one player to football. Even though these players were gone, the Devils still sent 2 people, Ricky Chavis and Lee Mahaney, to the State Tournament. Mahaney went on to finish in the top 20 golfers in the state. Before you know it, the golf team until be back on top.

With a record of eleven wins and nine losses, the varsity baseball team had a close to break-even season. They finished in fourth place in the regular season and were the Central District Tournament Runner-ups. The season contained many highlights, but a few of the best were two late season wins against Prince George and Colonial Heights. In each of these games, senior Chris Kaufman pitched an outstanding seven innings. In the Colonial Heights game, a no-hitter pitched by Kaufman, led the Devils into post-season play. In the first round of the Central District Tournament, HHS beat the number one ranked team to progress to the finals, where they lost a hard-fought match-up by the score 2-1. At the end of the season, the Devils truly were rewarded for their diligence. Chris Kaufman was named to first All-District and the All-Metro Team. Travis Powroznik, Chris Whitlock, Stephen Kopalchick, and Allen Brobst were named to second team All-District. Lee Mahaney was named to the Honorable Mention District team. Coach Saunders stated "They were a hard-working bunch and their hard work paid off. The future looks good, but we'll have to rebuild."

Running Down a Dream

The outdoor track team, both boys' and girls', had many individual wins, however, the overall record did not reflect such accomplishments. For Jawanna Taylor, the best part of the season was the coaching. She felt that the three coaches put in 100% effort to help the team improve. For Amanda Bortner, the highlights included winning the one and two-mile races against Colonial Heights. She repeatedly stated that coming across the finish line first twice in one day was a thrilling experience that she hopes to duplicate next year. Evidently, many on the team ended the season feeling like winners.

Rip Morse waits with his opponents for the rebound.

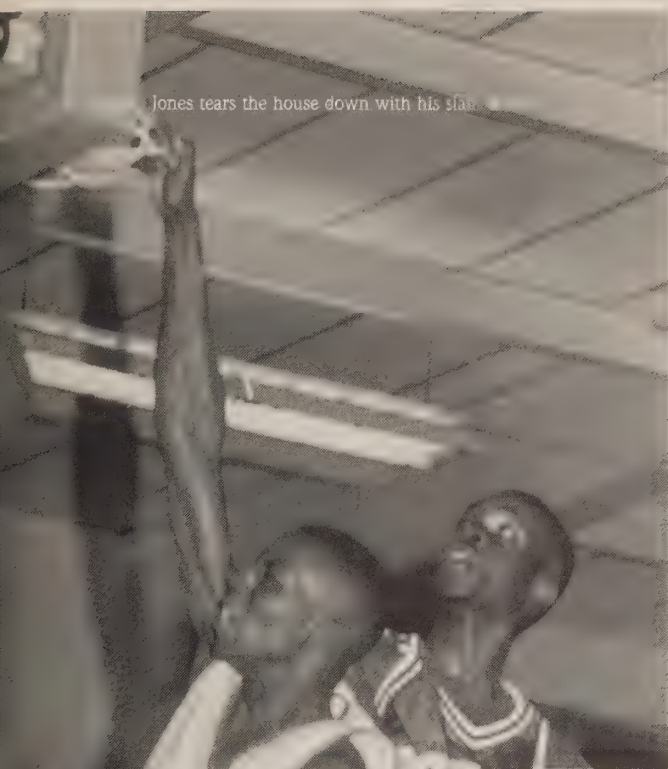

HHS IS IN THE PAINT

"And now, the starting line-up for the Hopewell Blue Devils; #12 Vance Johnson, #14 James "Rip" Morse, #54 Monsanto Pope, #40 Derrell Bowman, and #33 Russell Jones" As these names were called on the intercom, the only sounds heard were the sounds of the Blue Devil fans. The Varsity Basketball team had an awesome season. They went undefeated with a regular season record of 20-0. This was the first time a Hopewell basketball team has gone undefeated since 1972. Despite the efforts of the Blizzard of 1996, the Blue Devils managed to hold on to the first place rank in the Central District. Hopewell then went on to play in the Central Regional Tournament. They won runner-up to Douglas Freeman. Then the mighty Devils traveled to Lynchburg to put HHS on the map at the state Final Four. Coach Littlepage and the Devils defeated William Fleming and then played a hard-fought game against GW-Danville. Hopewell went home with the runner-up state championship title.

Every player contributed to the success of the team. Some of the most memorable highlights and plays of the season were the slam dunks performed by Russell, Rip, and Monsanto. Rip received an award for scoring 1,000 points during his career at HHS. But let's not forget the support of all the fans. They traveled to Chesapeake and then to Lynchburg following the team. Good luck to Coach Littlepage and the future Blue Devils.

On the Way to Better

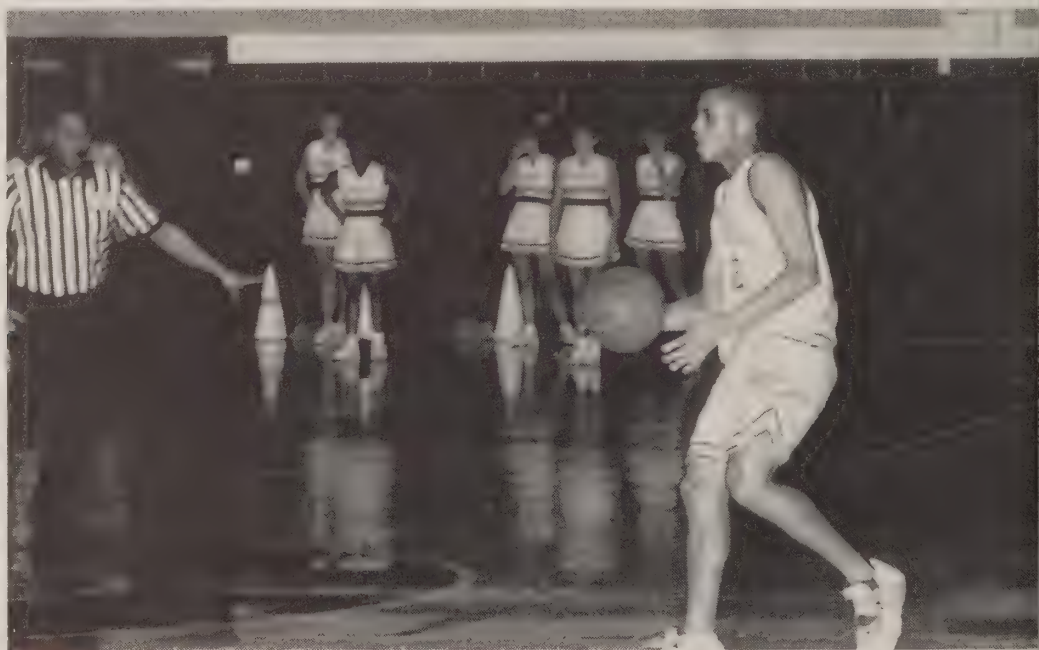

The junior varsity basketball team is the next step to possible varsity stardom. Coach Parker and his J.V. team made it through a long and hard season. Despite few wins, they succeeded in other ways. One, the team members rose a step higher to become varsity hopefuls. Another thing taught by Coach Parker was that one did not have to always win the competition in order to be a "winner." They also learned there is more to being on a team than just winning. Cooperation and patience play an important role in being a successful team. One may miss a shot or not place a throw exactly right; but there is always next time where you will make the right moves. The junior varsity squad may not have had all the winning plays, but they definitely had a winning sense of teamwork.

The Rebound Queens

Heavy footfalls echoed through the gymnasium as the girls' basketball team fought their way through a difficult season. With a fairly young team, the Lady Devils optimistically finished with six wins and thirteen losses. The team, consisting of no seniors, was led by an eleventh grader, Keisha Wyche, as captain. Also, many injuries plagued the team, and forced the team to slow its play as the

year progressed. Throughout the season the team showed poise and confidence in its play. Coach Walter Broner was very proud of the way his team presented themselves both on and off the court.

Eight is Enough to Declare

When Coach Kelly Kirksey reminisces about the junior girls' basketball season, she can be satisfied with the progress shown by the squad this year. The team closed out its season with a convincing 43-11 victory against Colonial Heights. One of the biggest factors this year in their success was the rebounding effort; against Colonial Heights the HHS players grabbed 59, their second highest total of the season (Hopewell News). With several starters moving up to varsity next year, the future looks promising for girls' basketball.

HHS Chooses the Top

The fabulous 1996 wrestling season came as no surprise to Coach Bennett, who had many returning Varsity wrestlers from last season. The first sign of success was when Hopewell won the Christmas Classic Wrestling Tournament. The HHS wrestlers were ranked number one in the district, with a record of six wins and no losses. For the first time in the history of Hopewell High, our wrestling squad defeated Douglas Freeman at a dual meet. Hopewell was also ranked Number One in the region. However, it did not stop there. The Varsity squad went on to beat an old Blue-and-Gold record of 12 overall wins in a wrestling season, and changed it to 17 wins with only three losses.

The Junior Varsity wrestlers may not determine wins or losses in district or regional decisions, but the HHS squad definitely is the best team in the district this season. Although they did not participate in many matches and tournaments, when they did wrestle, "it seemed like money in the bank" (Hopewell News).

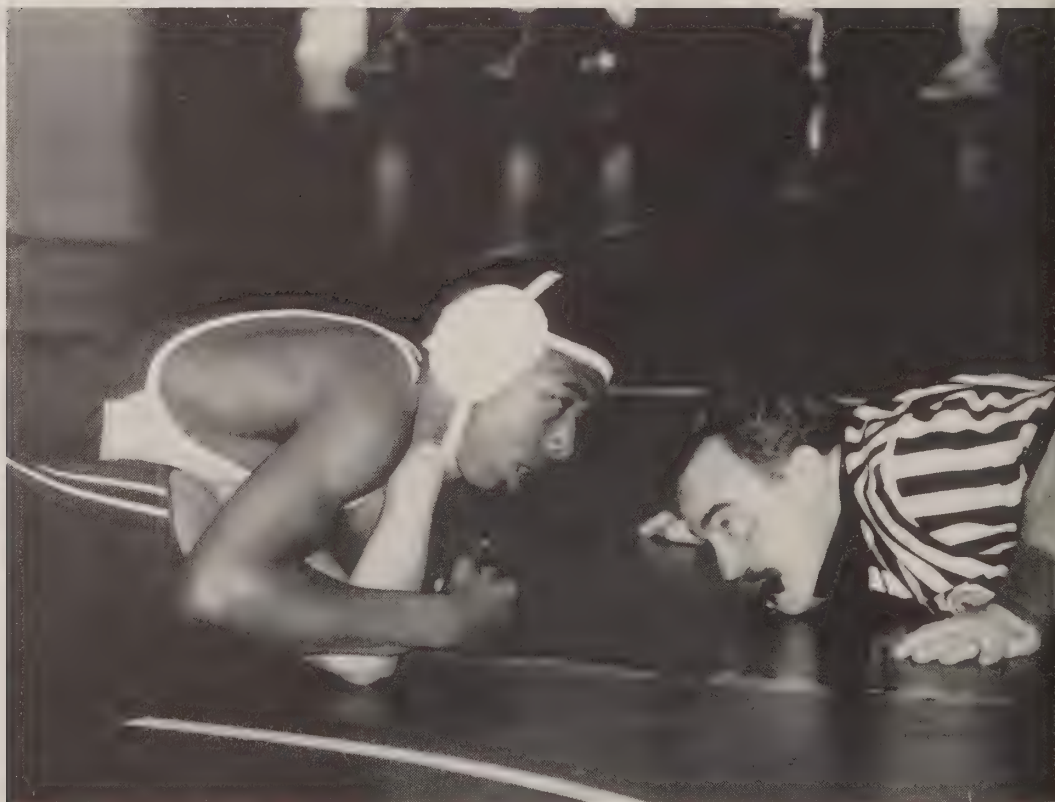

The most memorable match was the one against the Knights of Thomas Dale. At a J.V. tournament in Midlothian, five Hopewell wrestlers (Jim Henderson, Jonathan Pearson, Drew McKinney, Giovanni Morrison, and Tony Cochran) placed in the top four. Jim Henderson left with a first place medal. Those energetic and devoted J.V. hopefuls are the future for Coach Bennett and his Varsity squad. Keep up the good work.

Varsity Girls Soccer

Just Keeps Getting Better

The Girls' Varsity Soccer team had a very exciting year. They won eight games, lost six, tied one, and finished fourth place in the district. They started the season with a preseason tournament, where the Lady Devils shocked many by winning

the title. Coach Slachter said this tournament "really got the girls excited." Many of the girls said the tournament win was their favorite memory of the season. Senior team member Donna Baum said the girls really came together as a

team. "It wasn't whether we won or lost, but that we were playing *soccer*." The '95 season was viewed by many as a rebuilding season. However, all opponents *beware* because the '96 team will be better than ever.

Showing Heart is Part

This year the Girls' J.V. Soccer team worked hard to form a unit that showed much spirit. Despite winning only one game, the team was competitive to the end. With many returning to the lineup, the team hopes to improve its record next season.

One-Two Punch Scores at CD

Members of the Indoor Track team were highly motivated to excel, according to Coach West. The sport itself requires much intrinsic stamina and effort, since the only competitions that are scored are the Central District and Regional meets. At all other competitions, medals are awarded for the top three finishers; however, no official scores are kept. At the Central District meet, the female one-two punch of Floretta Sample and Jawanna Taylor delivered a knockout blow. "Flo" won both the Long Jump (16'11 1/2") and Triple Jump (34'11 1/2") events but finished second in the 55-m Hurdles. This event was won by Jawanna Taylor, who ran a school-record time of 8.8 seconds (this time was only a tick off the Central District record). The girls' team finished third overall. The boys' team was led by the performance of Sandy Whitesides, who finished second in the two-mile (11:10) and fourth in the mile event (5:13). The boys' team finished fifth overall. Good luck in future events.

Baby Blues Are the Beginning

As freshman basketball players enter Hopewell High, they have big shoes to fill. Who will be the next Rip Morse or Vance Johnson? The first year is the training ground for bigger events to come (as demonstrated by our current Varsity team's victory record). As a "baby" Blue Devil, one learns the basics and the strategies of Coach Littlepage. So when they become eligible to play for Varsity, they will have a strong background. The baby devils had a strong season, defeating many of their district rivals. They played well together as a team. They ended their season with wins, and losses.

Spring Heralds Soccer

Trying times marked the Varsity Soccer team's season this year. They had an average record of 6 wins and 7 losses. According to the players, even though they did not come out on top for the season they had a fun year. They seemed to bond together and work very hard as a team. They may have struggled in games, but they showed great sportsmanship and played the game of soccer in such a way that Hopewell High School can be proud.

Teamwork plays an important role in a successful season, and the Junior Varsity Softball demonstrated this quality time after time. The team consisted of a few eighth-graders and several freshman and sophomores. The '95 season improved

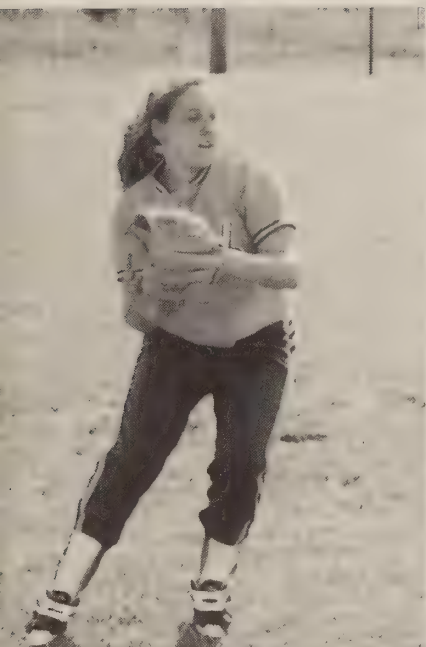

greatly over the year before: five wins, three losses, and one tie in district competition. The team finished 9:5:1 overall. Throughout the season, the encouraging words of Coach Holt showed that positive reinforcement equaled positive results.

Sophomore Executive Board members April Johnson, Leslie Flahart, Wendy Muse, and Crystal Martin cut out designs for their class float.

Yearbook Staff members Stephanie Bell, Jessica Mayton, Rachel Berger, and Susan Wolfe help organize students for club pictures. Starting the line is Tina DeBorba.

Extracurricular Activities Reap

FHA/HERO members Mia Williams, Kelly Stallard, and Keiko Hill create bread dough ornaments as a holiday fund-raising project.

Band members prove that constant practice is a required regimen for musical success.

Maurice Sydnor is pleased with the generosity of donors to the National Honor Society's Angel Tree program.

Extra Rewards

The ROTC Raiders strive to reach personal goals by following Colonel Anderson's example, assisted by Billy Pollard.

Mr. Lepley, Mike Rush, and Mercer Taylor pause before beginning another Auto Body project.

Junior class spirit is well represented by Regina Long.

"... hail to thee our Alma Mater, Hopewell High School, hail!" On June 14, 1996, Hopewell High will just be a memory for us. Some of the best years of our lives have been spent here. High school was not just an educational experience; it was also a time for us to make friends, and interact with classmates to form bonds and make memories that we will never forget.

When Senior Pictures were finally taken, we realized that we were now the elite. The underclassmen now looked up to us, and at first it was a strange feeling. However, we quickly adjusted to lead the way during the Homecoming festivities. After an original postponement due to the second snowstorm of the winter season, the Senior Dinner Dance was an outstanding success. And who could forget the outrageous fun in Orlando? All these memories and many more mean so much to everyone.

Thanks to Mother Nature, a snowball fight is a great stress-reducer at deadline time.

Think back with me for a moment. Remember our freshman year? We had absolutely no money in our treasury, the poorest class here. Our sophomore year was an improvement. We sold class sweatshirts, T-shirts. An almost-highlight of the year was when we "should have won" the Spirit Link Contest. Before, we knew it, we were juniors. We enjoyed our new status, letting everyone know that we were "The step above the rest." We won first place in the

Spirit Link Contest, second place in the Homecoming Float Contest, and cheered loudly to take the Spirit Stick several times. Hard work and dedication from students and faculty produced an elegant Miss HHS Pageant and a magnificent Prom.

Second Row: Susan Wolfe, Editor Shanna Story, Advisor Genny Longerbeam, Jessica [Name obscured]

Yearbook photographer Keith Cunningham investigates the school's new digital-imaging camera.

As editor of the yearbook, I tried my best to capture every important moment of the 1996 school year in pictures and words. I know that everyone wants to keepsake of his or her best and worst moments in high school. I, along with my staff, worked very hard to compile universal memories of the school and its students. This volume of the Kaleidoscope is the outcome, which would not have been possible without our advisor, Genny Longerbeam. I also would like to thank the entire yearbook staff. Without support from you, there is no way that I would be the same right now. I want to wish the next editor the best of luck with the 1997 volume.

To all the graduating seniors, rising seniors, and underclassmen, we would like to wish you good luck in the future with all that you do. Remember, your high school experience should be the best four years of your life. Do not forget your friends, your achievements, and proudly sing, "... In the heart of Hopewell city, wonderful for you, is my dear old Alma Mater, of the gold and blue."

I have spent my life looking for happiness like it's buried treasure.

Somewhere behind a secret door, surely there were riches beyond measure.

I've taken my sanity to task, walked across broken glass to find it. No mountain top was left unclimbed before I took the time to look inside me.

These dreams of mine, these precious years, oh how they shine like diamonds and tears.

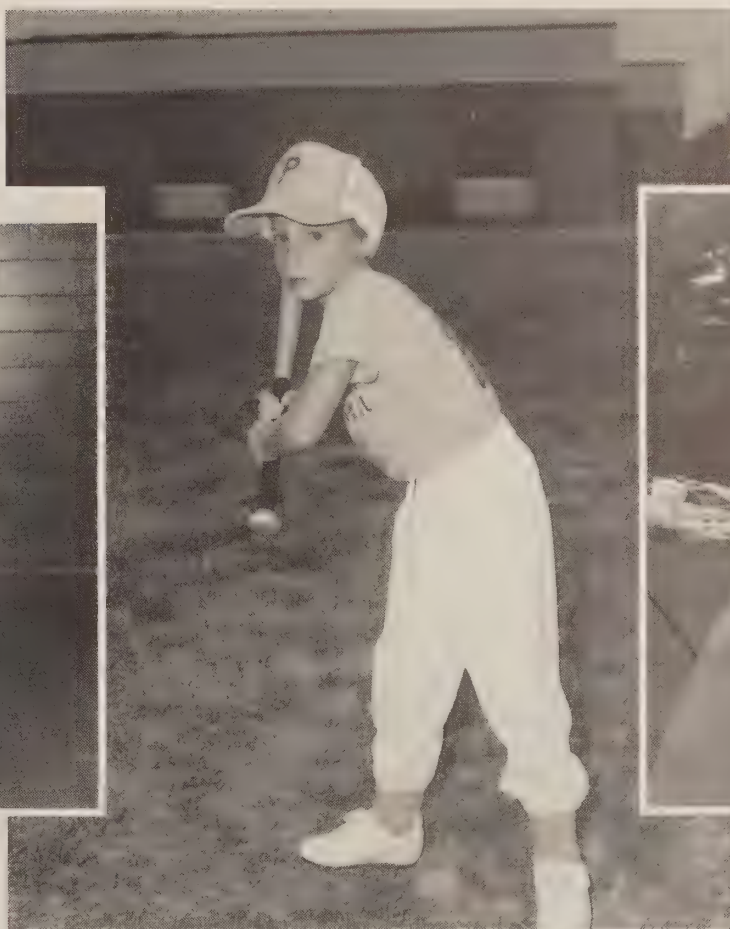

"The slow grace of time, the joy and the fears, oh how they shine like diamonds and tears." (*Diamonds and Tears* — Suzy Boggus)

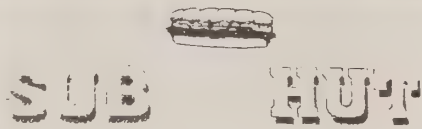

Aaron, Continue to take the time to look inside yourself for your happiness. Follow your heart and know your inner strength.

We thank you for all the diamonds and the tears.

Love, Mom and Bill.

Many Thanks

- to our ad patrons.
- to Hank Bilyeu and Steve Frost of the Hopewell News for extra photos and Miss Longerbeam for all her support.
- to the students, staff, and administration of Hopewell High School for their patronage and cooperation.

Eager seniors wait for their diplomas. Pictured are: Superintendent David Stuckwisch, Principal Gayle Keith, and Assistant Principals Royce Hart, Becky Slagle, and John Denzler. In the background are Assistant Superintendent Jane McCullen and School Board member Linda Hedgepeth.

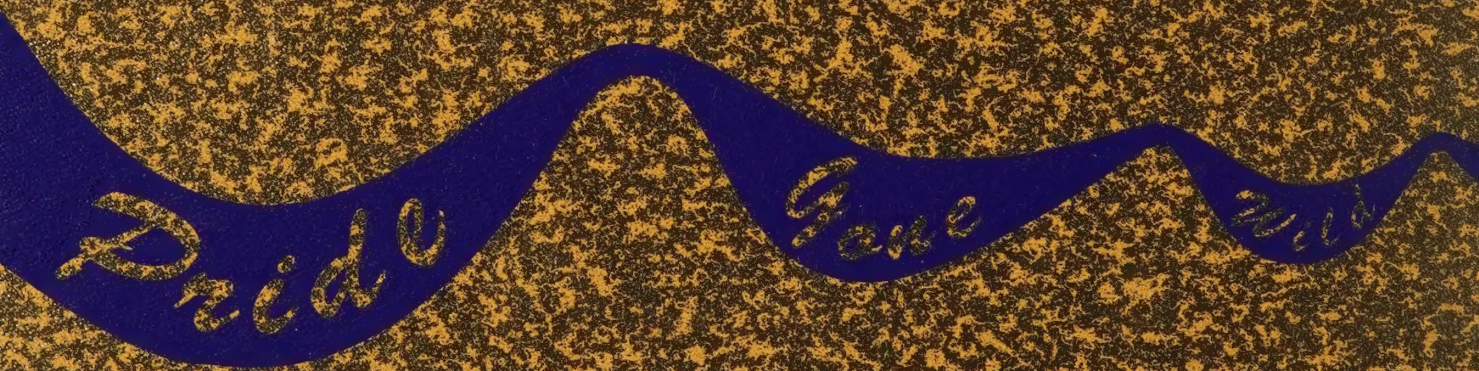

Colophon

Volume number seventy-one of the Hopewell High School Kaleidoscope was printed by Taylor Publishing Company of Dallas, Texas, represented by Dan DeFalco. Lifetouch was our photographic company, represented by Darryl Nelson.

This book is composed of one hundred seventy-six pages printed on matte eighty pound Westvaco enamel paper. The Gold Mylar cover was designed by Genny Longerbeam.

The cost of the 1996 Kaleidoscope was thirty-five dollars each.
